» Designed to support student success

LANGUAGECERT Academic is a four-skill, multi-level test of English communicative ability for academic purposes. The test assesses and reports English language proficiency from B1 to C2 of the Common European Framework of Reference (CEFR). LANGUAGECERT Academic tests and helps develop the real-world English language skills students need to survive, thrive, and flourish in an academic environment.

The test consists of 2 parts: a Written and a Spoken component. Both components must be booked together and can be taken on the same day or within 14 days of each other.

>> The LANGUAGECERT Academic Difference

Feature	How students and institutions benefit
Fit for purpose	All 4 skills focus exclusively on academic language and scenarios , including everyday life on campus
Secure testing and results verification	Confidence and trust in integrity of results ensured by sector-leading security measures
Accessibility and choice	Available through network of high-stakes test centres or online (live-proctored 'at home' option)
Live 1-1 Speaking test	Authentic interactive communication scenario, mirroring real life conversational dynamics in an academic environment
Human-centred approach	User-friendly and 'human' experience with a live proctor and Speaking examiner
Positive washback and impact	Designed to improve language learning and the development of extra linguistic skills
Underpinned by research	Ongoing research ensures test scores are an accurate, fair and reliable reflection of communicative ability
