Kia Ora & Hello!

The staff and faculty of New Zealand Skills & Education Group (NZSEG) invite you to explore our world of exciting educational experiences! Our programmes are focused on providing a nurturing and supportive environment where you can explore your full potential and realise your career aspirations or undertake further studies.

NZSEG is a leading provider of tertiary qualifications in Information Technology, Business, University Preparation, Healthcare & English Language Studies. With campuses in New Lynn, Avondale, Manukau, Auckland CBD and now Hamilton, whatever career path you choose at NZSEG you will get the benefits of practical experience, industry connections and internationally recognised qualifications.

What makes NZSEG so special is our staff and their willingness to meet the needs of every student. Embracing culture, knowledge and diversity, NZSEG’s thought leaders seek to mentor and guide students to learn, understand and prepare for life and work in a multicultural world. Our academic programmes aim to prepare you for a seamless transfer to university degrees while our applied learning programmes train to enter the New Zealand or global workforce with confidence.

When you join NZSEG, you can be assured of robust and accredited programmes from a Category One provider. Our total student experience means you “work hard and play hard” as you build lasting friendships with students from all over the world.

NZSEG proudly presents 3 institutes:

**NZSE**

New Zealand School of Education

NZSE is your local educational provider, offering programmes to suit your interests. We offer programmes in Creative Technologies, Business, University Prep, Design & Arts, Healthcare, Foundation Studies and Early Childhood Care. With a great student support and career advisor team, we are here to help you achieve your goals.

**Seafield**

SCHOOL OF ENGLISH

Seafield School of English provides both international and domestic students a blended learning adventure that combines classroom teaching, to real life applications during field trips. Providing professional tutoring in a welcoming and friendly environment, you’ll be sure to enjoy your time studying at Seafield.

**ATC**

MILITARY PREP SCHOOL

Advance Training Centres (ATC) is a military-style educational institute with campuses in Auckland and Waikato, providing free Military-oriented programmes for youth between 16-19 years old. Learn life skills, get fit, build memories and life-long friendships at ATC.
Welcome to NZSE
Transforming Lives Through The Power Of Learning

Welcome to Auckland and Hamilton where we welcome students from all over the globe and celebrate diversity of people, ideas and culture.

Our main campuses are located in Auckland, and has been rated top 10 best city in the world in a recent survey measuring global quality of life. Auckland is a cosmopolitan hub of activity and business and is one of the most multicultural cities on the planet. There is a great variety of restaurants, hotels, fast food outlets and a number of 24 hour supermarkets. As a supercity, Auckland is an ideal environment for learning and personal development and provides a diverse landscape of cultural attractions to experience.

Our new campus is based in Hamilton; the centre of one of the richest agricultural and pastoral areas in the world. With a young, smart and innovative population, Hamilton’s warm and welcoming spirit, rich history and contrasting splendours ensure visitors are spoilt for choice for places to relax and enjoy.

At NZSE we are guided by our belief in the transformative power of education and our commitment to offering exceptional support and care to our international students in an exciting educational environment. We pride ourselves on providing employment assistance to our students – assisting them in gaining part-time positions while they study with us and skills they require to gain full time roles as graduates.

We look forward to meeting you when you arrive at NZSE and supporting you on the journey towards attainment of your chosen qualifications.

Why choose NZSE?

- **6 CAMPUSES**
  - Auckland & Hamilton

- **6+ UNIVERSITY PATHWAYS**

- **30+ INDUSTRY FOCUSED PROGRAMMES**

- **25+ INDUSTRY PARTNERSHIPS WITH LEADING NZ COMPANIES**

- **96% ACADEMIC & EMPLOYMENT OUTCOMES**
Flip THE switch to tech that works.

OCCUPATIONAL OUTLOOK

New Zealand’s tech sector is diverse and advanced. It’s a breeding ground for innovation and competes successfully on the world stage. The industry is a major and growing business for New Zealand, growing 12% last year. NZ’s ICT companies have earned an international reputation for being flexible, resilient, adaptable and entrepreneurial.

Growing digitisation and increased use of ICT across the economy is generating employment growth across a range of skill-sets, including software engineering and development, project managers, marketers, sales, administrators and business analysts.

According to Immigration New Zealand, there are skill shortages in:

- Business Analyst
- Developer Programmer
- Software Engineer
- Project Manager
- Security Specialist
- Software Tester
- Telecommunications Network Engineer
- Database Administrator
- Software Quality Assurance Engineer
- Multimedia Specialist
- ICT Project Manager
- Systems Analyst
- Web Developer
- Software & Applications Programmer
- Developer Programmer

“TechSchool at NZSE allowed me to pathway into higher studies at AUT easily. The teaching gave me the foundations I needed to transition seamlessly into a Bachelor of Computer and Information Science, and finish the degree in only 2 and a half years! I would recommend TechSchool at NZSE to anyone, it’s fun and has practical learning. I completed a Master of Computer and Information Science and now undergoing a PhD at AUT.”

FRANK LV
Current Role: AUT PhD Candidate
AUT Master in Computer & Information Science
TechSchool Diploma in IT Software Development (Level 6) Graduate, 2013
HEALTHCARE STUDIES

Begin your journey to a fulfilling career with our embedded work placements and become a valued member of New Zealand’s healthcare industry.
PAY EQUITY FOR HEALTHCARE WORKERS

There are pay incentives when you study healthcare for care and support workers. Complete our healthcare diploma and receive the minimum wages equivalent to Level 4 qualifications assessed by Careerforce.

GROWING AGE POPULATION

With the rising numbers of elderly people in New Zealand and a wide-ranging healthcare system, you’ll be sure to find a range of work opportunities in the healthcare sector after you’ve completed your studies.

In a period of 40 years, there will be a 203% increase in the Asian population, a 115% increase for Maori, 110% increase for Pasifika and a 50% increase for NZ European.

In a period of 40 years, there will be a 700% increase of the population in the 95+ age group, a 283% increase in the 80+ and 108% increase in the 65+.

Complete the Diploma in Community Healthcare & Support (Level 7)

Diploma in Community Healthcare & Support (Level 7)
1 academic year

Higher level studies at New Zealand universities*

Beyond Education

Conference and Event Organisers
The number of job advertisements for conference and event organisers has been growing over the decade.

Retail Sales Assistant
Experienced retail sales assistants can progress to senior sales, supervisory, shop management or regional management positions.

Personal/Executive Assistant
There are limited job prospects for personal/executive assistants, however entering the profession with a qualification will greatly increase your chance in finding a role.

Marketing and Advertising
Experienced marketing & advertising professionals are in demand. Working with several different clients can help develop a broad skill set.

---

Learn Industry Based Business Practices

DRAGONS DEN
Our students pitch their entrepreneurial business plan to a panel of select “venture capitalists” and compete to impress them to secure investment finance for the project. Real life at work in the classroom!

LIVE ASSESSMENTS
Learning by doing. Students roll up their sleeves to conceive, produce and deliver different types of events while applying the theory they learnt in the classroom environment.

INDUSTRY SITE VISITS
Site visits are conducted to help our students gain greater exposure to the industry, a chance to see upfront how business operate and what best practices in business look like.

INTERNSHIPS
Internships are of enormous value, specially to our international students as it gives them a chance to “immerse” in New Zealand’s workforce work within a team where they can be mentored to apply their learnings.

“As an international student I strongly feel that New Zealand School of Education is one of the best Schools in Auckland. I believe undertaking the Diploma in Business (Level 7) programme at NZSE was the best decision. The tutors, staff and the student support team were very passionate and showed genuine desire to help students achieve their goals. Over the duration of the course I gained a lot of knowledge. The course was very informative and has tuned my skills which I have immediately put into practice in my role as an Assistant Company Secretary in a multinational company.”

ALISHA RODRIGUES
Current Role: Assistant Company Secretary at TMF Corporate Services

STUDENT SERVICES

Pre-Arrival Advice & Information
Leaving home can be difficult as much as it is exciting. We understand your need for our support and assistance when you get here.

Orientation
Our orientation programme ensures students are informed about their new surroundings and understanding of the general rules of the school and country.

Social Activities
In addition to their academic support, students are given the opportunity to make new friends with other international students and enjoy a healthy social life.

Student Committee
Our student committee is vocal, effects change, and fundraises regularly for worthwhile causes. We have a broad calendar of activities, groups and clubs for students to join and lead.

EMPLOYMENT SUPPORT

We are committed to helping and supporting our students to be work ready for the industry. Our dedicated career services team have a holistic approach, with a range of proven sessions that allow our students to develop the essential soft skills required for today’s competitive job markets.

These initiatives include:
- Targeted workshops throughout your course
- Training in CV and résumé writing
- Interview techniques and practice interviews
- Search & understanding the job market
- 1-to-1 coaching and mentoring
- Industry exposure - Site visits and guest speakers

Job Placements
We organize and operate a number of experience-based internships with a variety of strategic business partners across all sectors of our school curriculum.

Part-Time/Internship Opportunities
We also help students identify opportunities for part-time jobs and internships during their studies. Our career services team will help you choose which type of jobs suit you best.

“Internships are a great way for our students to get a foot in the door in the local businesses. Work experience in a professional setting, means our international students can benefit from industry connections and professional mentors. It’s an opportunity to acquire valuable work experience and industry knowledge prior to graduating. We thank our industry partners who have been supporting us in this endeavour to bring graduates into industry.”

RHODES PILIMON, Career Services Manager
CODE OF PRACTICE

We have agreed to observe and be bound by the New Zealand Government’s Education (Pastoral Care of International Students) Code of Practice.
ABOUT AUCKLAND

Auckland has been rated the third best city in the world in a recent survey measuring global quality of life. The Annual Report by Mercer is based on factors such as culture and environment, political stability, safety, infrastructure and ease of doing business.

One-third of New Zealand’s population lives in the wider Auckland Region. Auckland is a cosmopolitan hub of activity and business and is one of the most multicultural cities on the planet. Almost a third of Aucklanders were born outside of New Zealand and half of those have roots in the Asia-Pacific region. The cultural facilities and quality educational facilities are major attractions for people from all over the world.

There is a great variety of restaurants, hotels, fast food outlets and a number of 24 hour supermarkets. Asian cuisine is particularly popular. Overall Auckland is an ideal environment for learning and personal development and provides a diverse landscape of cultural attractions to experience.

“Seafield offers work and study options for students who want to experience NZ’s workforce while they’re studying.”

- FABIO (ITALY)
Learning English can be challenging, and as a specialist language school we offer you an active and energetic atmosphere that makes learning English fun and interesting!

WHAT DO OUR STUDENTS THINK OF SEAFIELD

“It’s not just a school; it’s a family! They really encourage you to be the best you can be.”

Angela (Colombia)

“I love studying at Seafield... they are the best teachers and a lot of friendly people. It’s a great school and I’m really improving my English.”

Brunno (Brazil)

“I love it here. I improved from Elementary to Intermediate in a short time. I really enjoy the people, too!”

Zaimao (China)

Coming to Seafield is so fun because of friendly teachers and the environment feels like home. I’ve learnt correct grammar, conversational skills, how to write official emails and prepare job interviews. Among many different activities, my favourite one is Student Pub Night which I can enjoy with Seafield staff and friends!

Nanami (Japan)

Good friends, nice teachers, friendly staff! The best thing about Seafield is that they provide a structured environment to compliment my English ability. The teachers always take care of me like they are my close friends. I also love the various activities we do that helps me to experience and appreciate beautiful New Zealand.

Sungmin (Korea)
From trips to beautiful places in New Zealand to some after class drinks at the bar, experience New Zealand life while you’re learning English at Seafield!
