Writing Part 1

Your university has a large cafeteria, serving a variety of hot meals. The cafeteria is now used only by staff. As part of a short course in English, you have to write a report on changing use of the cafeteria over time. You have been given the following information for the period 2001 to 2020: a chart showing who used the cafeteria when, plus a timeline showing developments that affected use of the cafeteria. In your report, you should:

- describe the main trends
- give reasons for these trends
- predict how use of the cafeteria is likely to change in the next five-year period.

Write between 150 and 200 words.

Writing Part 2
