WRITING

Part 1

[Sample answer]

Dear Mrs Collins,

I already go to several clubs after school and they are all good. But I would also like to be able to take part in an art club. We have two hours of art during the school week, but a lot of the students in the class are not interested in art, so I don't learn very much from the lessons. I would be happy to help prepare the art room for the club, getting out all the paints, paper, brushes and so on, and then tidying up afterwards.

With best wishes,

Part 2

[Sample answer]

Hi Alex,

Thanks for accepting the invitation to my party, even though you'll have a long journey getting here. My parents are really looking forward to meeting you. The spare room is very nice, so I'm sure your stay will be comfortable.

The party will start at 2 pm, so it would be good if you could get here by midday. You can help me put everything on our big table. It will be in the garden if the weather is fine. Then, we need to blow up balloons and organise all the games. Our garden is very big, so we can play tennis or football.

Write soon and tell me the time of your train.

With best wishes,
