To: Mrs Hughes

Re: Computers at school

Dear Mrs Hughes,

I believe computers are currently used well in our lessons, particularly when we need to do research in the computer room.

Looking ahead, the school could make more use of computers for online learning and supporting homework. I think it would be a good idea for every student to have their own computer. This would help us stay organised and complete our work more easily, both in class and at home. It would also allow us to work in our own way.

Yours sincerely,

[Your Name]

Part 2

[Sample answer]

Hi,

How are things! It's great that you want to visit my hometown. The best time to visit is in the spring, between April and May. The weather is perfect - not too hot, not too cold - and there are a lot of things we can do. The park is especially beautiful during this time, with beautiful flowers and a lovely lake where we can hire boats.

We could also visit the shopping centre, which has lots of shops and a cinema. We could watch a film and have some ice cream. If the weather is nice, we can go to the beach for swimming.

There's also a very nice history museum that we could visit.

I'm sure you'll love it here, so I hope you can visit soon!

Best wishes,

[Your Name]
